Most Club Requests are filled with the help of a rusty crow at this “desk”...

A photograph of a living room. In the center is a sofa with a green floral pattern and a light blue floral throw. To the left is a matching armchair. To the right is a blue leather armchair. A wooden coffee table with a glass top is in front of the sofa. A fireplace with a white mantel is on the right wall. A large window with white blinds is on the right wall. A floor lamp with a white shade is in the corner. A small table with a lamp is next to the sofa. A glass display cabinet is on the left. A patterned rug covers the floor.

or in the blue chair on the right. Tough member Requests and writers block are handled in one of two ways.

1. A break.
Back to the garage
where leftover paints
become paintings
on the garage wall.

A photograph of a staircase with brown carpeting, viewed from the bottom looking up. The stairs lead to a landing with a large window. A white railing is on the right side of the stairs. The walls are a light cream color. The text "Or up the stairs..." is overlaid in white on the lower part of the stairs.

Or up the
stairs...

to the libraries where ideas and
inspiration are found, and...

completed Carol's Club Projects are stored.

A single-story house with grey horizontal siding and a dark grey gabled roof. A central red door is framed by a white portico and has a green wreath hanging on it. To the left of the door is a window with white shutters and a white curtain. To the right of the door are two more windows, each with white shutters and flower boxes hanging below them. A concrete walkway leads from the foreground to the front steps of the house. The yard is filled with various plants, including tall grasses, purple flowers, and green shrubs. Large trees are visible in the background under a blue sky with some clouds.

Welcome to the Clubhouse, and
thank you for joining Carol's Club.
