

Waiting to Fly

My name is _____. I am going to ride in an airplane. I will probably have to wait.

People often have to wait at check-in. Many people may need to check their luggage or get boarding passes.

People often wait in the boarding area. They wait for the pilot and crew to get the plane ready to fly.

People often need to wait for the plane to go. They need to wait for the crew to make sure everything is ready for the flight.

People often need to wait for other reasons, too. Waiting happens a lot when people fly in airplanes.

I am going to fly in an airplane soon. I may have to wait often.
