

## Does Santa Deliver Everything?

This is a picture of Santa. Santa delivers toys and things on Christmas Eve. Does he always bring everything that each child wants?

Last year, Jessica asked Santa for a *space suit* for her American Girl doll, Luciana. Santa left Luciana's *flight suit* under the tree. It wasn't *exactly* what Jessica wanted. It's okay. Even Santa makes mistakes.

This is a picture of Charlie and Emma with Santa. Charlie asked Santa for a remote-control car. Santa left one for him to open on Christmas morning. Emma wanted a real horse with brown spots, but she found a stuffed animal horse with brown spots under the tree.

Jordan wrote to Santa and asked for a rocket to fly to Saturn, his favorite planet. Santa left a model rocket for Jordan and a note explaining that it's important to be older before flying to other planets.

Santa has a long list. Sometimes he cannot give all the children exactly what they want.  
Sometimes he can.

Santa's story is a part of Christmas. I will learn more about Santa as I grow.
