

When Mom Is Away

My name is Anne.

I live with Mom,

Grandpa, Grandma, and

my sister, Brianna. This

is a picture of our house.

This is a picture of  
Brianna and me.

Brianna is older than  
me. She goes to the  
high school. She  
has a job at the  
grocery store, too.

When Mom is away,  
Grandpa or Grandma  
take care of Brianna and  
me. They are in charge  
of us until Mom gets  
home.

Grandpa and Grandma love Brianna and me. They have known us since we were born. They know Mom's rules and what we can and can't do.

When Mom is away  
there are still chores to  
do. It's our job to help.

Grandpa and  
Grandma know  
how to make our  
food the way we  
like it.

Sometimes we  
have cookies  
and milk.

If Brianna or I have a problem, Grandpa and Grandma know how to help.

When Mom is away, Grandpa and Grandma know how to take care of Brianna and me. They work to keep us safe and happy until Mom is home again.
